

- Name of site/company  
Raccon Child
- Description of your design concept/approach  
my concept is to creat a user friendly website for a fictional new punk band. The aethsthetic will be punk but still modern and easy to read.

What you hope to accomplish with your design concept/approach

It will be a site that is welcoming to fans looking to participate through buying tickets, merchemndise and following the band on social media

- Other sites you looked at for inspiration (include links)  
I looked at websites from other punk bands like <https://rancidrancid.com/> and <https://www.lagwagon.com/>
  - Other sites for comparable businesses that justify your concept/approach (include links)  
<https://rancidrancid.com/> <https://www.lagwagon.com/>  
<https://theragingnathans.bandcamp.com/>

The images I intend to use are provided below

# Spotify
